Our rental partner, Party Plus Tents & Rentals, can handle all your wedding rental needs in one place: tents, tables, chairs, lighting, dance floor, linens and table settings. Coordinate directly with their team at tenting.com for availability and a separate rental quote.

Couples secure the appropriate tent, reception setup and required weather protection through Party Plus or another approved professional rental company. Rental costs are separate from the wedding package.

Catering, bar service and alcohol, florals, decor, linens, table settings, photography, entertainment and wedding planning are arranged separately. We explain rental requirements early so you can understand the full investment before reserving.

Proposed 2027 pricing. Availability, final terms and package details are confirmed directly with the inn.

Lodging only is the basic nightly rent, including cleaning. The event columns are for hosting an event and show one night of lodging plus the fee for that event guest count.

Build your basic rental estimate

Seasonal nightly rate (cleaning included) × number of nights
+ event fee, once per rental, only if hosting an event

Event fees: up to 25 guests, $250; 26-50 guests, $550; more than 50 guests, $1,000 where offered.

Example: one spring night + up to 25 event guests

$550 lodging (cleaning included) + $250 event fee = $800 direct rental estimate.

At least one overnight fee applies. Overnight lodging remains limited to 14 guests. Event capacity, setup, minimum stays and dates must be confirmed. Winter events over 50 guests are not offered. February rates require a custom quote. Wedding packages are priced separately.

Estimates exclude any applicable taxes and additional services, which are confirmed in your final quote. Calendar availability can change; an inquiry does not reserve dates.
